Legislation and Lottery to come under the spotlight at Gaming in Holland Conference

AMSTERDAM – [Gaming in Holland](#) today confirmed that this year's conference topics shall spotlight separate sessions dedicated to secondary iGaming legislation and lottery modernization. Confirmed keynote speakers include: Mr. Walter Bugno President and CEO of GTECH International; Mr. Mor Weizer, CEO of Playtech Plc; Mr. Mark Davies, Managing Director of Camberton PR, member of Betfair founding management team and several key Dutch government officials shall all be presenting.

The event which is now in its fourth year will be co-hosted with the iGaming Super Show and takes place in June 22nd - 23rd. The conference promises to be a must-attend event for iGaming executives looking to understand the pending legislation changes in 2017 and the growth opportunities for the Dutch market.

Willem van Oort founder of Gaming in Holland, said, "We provide the networking environment for those in the industry to be able to navigate and operate a compliant gaming business in the lucrative Dutch market. Testament to our growth in the iGaming calendar is the continued support from tier one industry associations and sponsors, which make these events possible and a success for attendees."
